PROUD TRADITION

Meeting and event planners choose to hold their events at Notre Dame in part because of our historic campus and reputation for providing unparalleled experiences. Thousands of corporate retreats, association meetings, weddings, reunions and other events have taken place here, each with its own unique style. We are committed to adding to our tradition of excellence with every group we entertain.

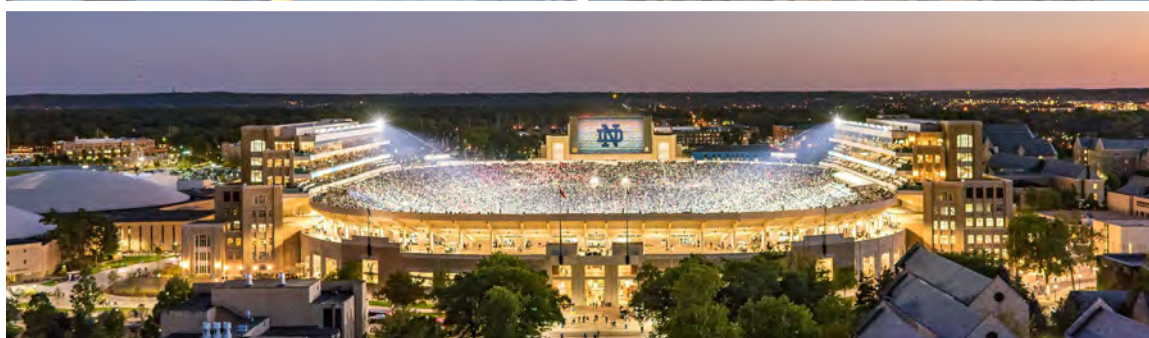

AMBITIOUS FUTURE

Our campus might be steeped in history, but Notre Dame is always looking toward the future. A philosophy of continual improvement keeps our venues among the most sophisticated and accommodating. For instance, McKenna Hall recently underwent a complete renovation.

The revitalized Notre Dame Conference Center features:

- 30,000 square feet of meeting space
- Ability to host meetings from 3 to 300
- State-of-the-art technology for dynamic gatherings and presentations
- A combination of conference rooms, flexible gathering spaces, an auditorium and other venue possibilities
