

NOTRE DAME GOALS

1. Ensure that our Catholic character informs all our endeavors.
2. Offer an unsurpassed undergraduate education that nurtures the formation of mind, body, and spirit.
3. Provide superb graduate and professional programs that exhibit disciplinary excellence, foster interdisciplinary connections, and engage the world's most pressing problems, while attending to the holistic development of the student.
4. Advance human understanding through scholarship and research that seeks to heal, unify, and enlighten.

21st-century Goal:

To become the leading global Catholic research university, on par with but distinct from the great private research universities.

Notre Dame Strategic Framework Themes

Strengthening Foundations

- *Humanities and the arts*
- *Democracy*
- *Ethics*

Global Catholicism

- *Global strategy*
- *International students*
- *Poverty*
- *Research and collaboration in global Catholicism*

Science and Engineering for a World in Need

- *Health and well-being*
- *Climate change and the environment*
- *Data and computational science*

ARTS & LETTERS GOALS

1. Increase the impact of faculty scholarship across fields and disciplines.
2. Raise the quality and reputation of our graduate degree programs, making the College a preferred destination for graduate study.
3. Innovate our undergraduate Catholic liberal arts education to meet the changing needs of students and society.
4. Diversify our community and create a culture of inclusiveness among our students, staff, and faculty.
5. Expand global research and education to advance the College as an international leader in scholarship.
6. Promote scholarship and pedagogy that address meaningful questions and large themes requiring cross-disciplinary collaboration.

My Goals
